

We need your help to collect 40,000 Hygiene Kits for use by Church World Service

A boy with disabilities who survived Haiti's January 12 earthquake cradles a blanket and Hygiene Kit he received from Church World Service. He is part of a group of disabled Haitians who are receiving special attention from ACT Alliance members.

Since the earthquake hit, CWS partnership through the ACT Alliance has assisted more than 150,000 people with some \$1 million worth of ongoing support such as water, CWS blankets, tents, food, medicines, and various kits.

Prepositioned CWS Hygiene Kits and other supplies began meeting emergency needs in Haiti within 24 hours of the earthquake. Now we need to help restock CWS shelves both to provide more to Haiti and to fulfill commitments to many other partners worldwide.

You can help make this happen in any of four ways:

1. Deliver **fully assembled Hygiene Kits** to our collection trailer at 1100 W. 42nd St. in Indianapolis **between March 24-27** with a separate donation of **\$2 per kit** to help CWS cover processing your donations for shipment to where needed. (Contact the IN-KY Regional CWS Office for alternative delivery/shipping options.)
2. Collect and deliver **between March 1-12** multiples of any of the **Hygiene Kit contents** for assembly by volunteers in Indianapolis.
3. **Volunteer to assemble Kits** at Central Christian Church in Indianapolis (call 317-635-6397 after March 1 for details).
4. **Donate funds** to offset the processing costs for the Kits assembled in Indianapolis. (Up to \$80,000 will be needed!)

Each Hygiene Kit needs:

- ❖ 1 hand towel measuring approximately 16" x 28" (no fingertip or bath towels)
- ❖ 1 washcloth
- ❖ 1 wide-tooth comb
- ❖ 1 nail clipper
- ❖ 1 bar of soap (bath size in wrapper)
- ❖ 1 adult toothbrush (in original factory-sealed packaging)
- ❖ 6 standard size Band-aids®
- ❖ 1 one-gallon plastic bag with zipper-style closure
