To get **out** the door

Missional Church Learning Experience (MCLE) is a cluster of churches that form a **Learning Community** to explore what God is saying to the church today.

Each church forms a **Mission Team** that receives training in basic missional church principles, and practices those principles by designing and implementing a small community project.

The Learning Community will meet during the process to share what they are learning and receive further training.

*How can we keep up with our culture?
Everything's changing so fast!*

Each Church

 - The pastor
 - Four lay members (one of whom is 15-25 in age)
- Attends the four sessions
- Completes three assignments to help design the community project
- Implements the project
- Shares their learnings

To get started

- Pray
- Talk with your Region Staff
- Recruit your team
- Fill out the covenant and application and send it along with \$100 fee to your Region
- Pray more!

**What does God have
in store for our
church?**
