*For as the soil makes the
sprout come up and a garden
causes seeds to grow, so the
Sovereign Lord will make
righteousness and praise
spring up before all nations.*

Isaiah 61:11

PROGRAM HIGHLIGHTS - SENIOR ADULT DAY

Kirby Stailey

Kirby Stailey's passion is Jesus Christ.....his God given ability is singing and songwriting. When you mesh the two together, you have a spiritual and musical experience like no other. Kirby first stepped up to the microphone in front of a church congregation at age 5. From that point on, music and performing held a special place in his life. It was not until over 30 years later that he would mesh his love for music with his love for Jesus Christ to bring lost souls to Christ. Kirby performs at nearly 100 live events per year throughout Indiana. He has played at events alongside The President of the United States, The Governor of Indiana, Eric Church, and Hawk Nelson to name a few. Kirby's thoughts on his career: "I have the sole purpose and calling to bring people into a relationship with Jesus Christ through my music. My biggest musical achievement by far has been and always will be seeing hurt and lost souls come forward to accept Jesus Christ as their personal Lord and Savior. There is no amount of money, fame, awards, or #1 hits that could even come close to what it is like to

see just one soul saved." Kirby performs at fairs, festivals, churches, revivals, youth camps, benefits, and various private events just to name a few.

"I only concern myself with fulfilling the will and direction of Jesus Christ through my music. I feel that he has a plan for great works through the gifts and abilities that he has given me."

Dick Matheny & Rita Nash

Dick Matheny & Rita Nash create a blend of bluegrass/gospel voices to bless souls of all ages. They have been singing together for 6 or 7 years now at churches, nursing homes, & other gatherings to spread the message of Christ & His love. They lead worship at their home church, Liberty Baptist, and are members of the band, Bluegrass Express.

Check your favorite maps/directions website for directions, distance and time from your local area.
